GOVERNOR DUMMER ACADEMY - SOUTH BYFIELD - MASSACHUSETTS

THE COVER

Our cover picture was taken during the dedication of the new Frost Building on October 19. Seated behind the Headmaster in the bow window of the library reading room are Mr. Morris P. Frost at the left, Mr. Marshall B. Dalton in the center, and Mr. Walter S. Brodie at the right.

Mr. Frost, for whom the building is named, is a graduate of the Academy in the Class of 1935 and a Trustee since 1945. Mr. Dalton, now President of the Board of Trustees, has long been a devoted and active member of the Board. Mr. Brodie, partner in the architectural firm of Kilham, Hopkins, Greeley & Brodie, designed the Frost Building and the Alumni Gymnasium.

FOOTBALL AND SOCCER PLAYERS RECEIVE AWARDS AT CHRISTMAS DINNER

The annual Christmas Dinner was held on Tuesday evening, December 17. Following an excellent dinner, the evening program began with Mr. Lothrop Withington, senior partner in the Boston law firm of Withington, Cross, Park & McCann, serving as toastmaster. Mr. Withington captained the Harvard football team in 1910, and is one of Harvard's all-time football "greats". He currently serves as a Trustee of the Academy and is the father of Paul '45, Dennett W. '55, and Nathan '58. The guest speaker was Dr. Robert Russell Wicks, former Dean of the Chapel at Princeton University.

In the portion of the program devoted to sports, the two varsity coaches commented on the football and soccer seasons and announced the award of letters to their respective teams. Mr. William H. Sperry, head football coach, praised the team for their continued effort throughout the season in the face of repeated cancellations.

Coach Howard J. Navins said that with only one letterman returning from last year's varsity soccer squad, it was perfectly amazing how quickly the team jelled to establish a very fine record.

Following the speeches, varsity letters were awarded, next year's football and soccer captains announced, and Most Valuable Player Awards presented. Russell T. Tornrose of Salisbury, captain of this year's football team, was named Most Valuable Player; and C. Randolph Light of Pittsburgh, Pennsylvania, was elected captain of the 1958 team.

Nicholas E. Day of Norfolk, England, was named Most Valuable Player in soccer, and Scott H. Cappel of Dayton, Ohio, was elected captain of next year's team.

At a special school meeting on Tuesday, November 26, the night before the Thanksgiving recess, junior varsity and pony letters were awarded.

ACADEMY BECOMES EXAM CENTER FOR COLLEGE BOARDS

The completion of the Frost Building last September gave the Academy the facilities necessary for a College Entrance Examination Board Test Center. On December 7 the first series of tests was administered in the new center to some one hundred and fifteen seniors and juniors, as well as to some students from outside the Academy. Other series will be administered on March 15 and on May 17.

In the past it has been necessary for Governor Dummer students taking those examinations to go to Haverhill or to Lynn, a trip involving bus transportation, considerable interference with the school program, and other inconveniences. Since practically all seniors and juniors are involved each year, the installation of a center at the Academy is a source of great satisfaction.

ALUMNI DINNERS HELD AT PORTLAND AND MARBLEHEAD

On December 5 the Lafayette Hotel at Portland, Maine, was the scene of the first alumni dinner of the current year. Mr. Eames, Mr. Witherspoon, Mr. Sager, Mr. Stone, Mr. Navins, Mr. Sutton, and Mr. Ashley Eames made the trip from South Byfield to foregather with twenty-five alumni from the Portland area.

Clark Neily '37, President of the Maine Alumni Association, presided at the dinner. Among the speakers were Mr. Eames and John F. Kimball '46, President-Elect of the Maine alumni. Mr. Witherspoon showed pictures of the interior and exterior of the new Frost Building, and a faculty quartet composed of Mr. Sager, Mr. Stone, Mr. Sutton, and Mr. Witherspoon provided some excellent harmonizing, and so did an alumni quartet which included Clark Neily '37, Brad and Bill Kirkpatrick '37 and '42 respectively, and Brad Davis '45.

At the Boston Yacht Club of Marblehead on December 11 Burt Machinist '36, President of the North Shore Alumni Association, presided at a similar dinner where forty-one alumni enjoyed a similar program.

Other dinners are planned for alumni at Harvard on January 9, — for the New York alumni at the Williams Club of New York on April 10, — and for Boston and vicinity alumni at the Harvard Club of Boston on April 17.

COLLEGE ADMISSIONS OFFICERS VISIT GOVERNOR DUMMER

Again this fall the Academy has enjoyed visits from the admissions officers of several colleges. These visits are very helpful both to students already headed for some definite college and to those who have not yet reached a decision.

Dean Robert H. Pitt, II, Dean of Admissions at the University of Pennsylvania, spoke at the evening meeting on October 21, as did Mr. Thomas W. Eglin, Assistant to the Director of Admissions at Princeton on November 5; Mr. Peter Pelham of the Admissions Office at Williams on November 18; and Mr. Arthur Howe, Jr., Director of Admissions at Yale on December 3.

Mr. Eglin is a former teacher at Governor Dummer, as is Mr. Richard G. King, Associate Director of Admissions and Financial Aids at Harvard, who visited the school on November 6.

Others visiting the school this fall were:

Mr. Sanford Roeser, Assistant to the Director of Admissions, Washington and Jefferson College, Washington, Pennsylvania.

Mr. E. Kimbark MacColl, Director of Admissions at Reed College, Portland, Oregon.

Mr. F. Gardiner F. Bridge, Director of Admissions at Trinity College, Hartford, Connecticut.

Mr. Herbert H. Williams, Director of Admissions at Cornell University.

Professor Henry B. Prickett of Middlebury College.

Mr. Tracy Scudder, Director of Admissions at Kenyon College, Gambier, Ohio.

Mr. J. Peter Anderson, Assistant to the Director of Admissions at Massachusetts Institute of Technology.

Mr. Robert A. Howard, Assistant Director of Admissions at Colgate University.

* * * *

On November 6 Mr. Sager spoke on Communications before the YMCA Industrial Management Club in Keene, New Hampshire, and he will address the Newburyport club on January 9 and February 13 on Public Speaking.

GLEE CLUB ATTRACTS OVER SIXTY MEMBERS

When Mr. Sager announced try-outs for this year's Senior Glee Club, so many boys reported that it was impossible to limit the club to the size of recent years. Over sixty boys have been rehearsing since October, and by December were ready to open the concert season.

Having elected John H. Read, Jr. President, the Governor Dummer songsters travelled to Boston on December 14 for the annual concert with the Winsor School Choir.

Led by Mr. Sager and accompanied by Mr. Stone, the Glee Club sang such old favorites as *March to Pretoria* and *O Bone Jesu*. New numbers included *Onward Christian Soldiers* and *The Heart Worships*. The joint numbers sung with the Winsor Choir included two choruses from Handel's *Ode to St. Cecilia's Day*.

The Governor Dummer Club was entertained at dinner before the concert and at a brief but enjoyable dance afterward.

Similar concerts are scheduled with Walnut Hill School on February 8, Dana Hall School on March 8, and Beaver Country Day School on April 11.

RELIGIOUS DISCUSSION GROUP MEETS WEEKLY

Again this year twelve seniors, known as The Religious Discussion Group, meet Sunday nights at nine-thirty in the old kitchen of the Mansion House for informal discussions concerning various aspects of religion.

The main purpose of this group is to give the students an opportunity to exchange ideas concerning religion and to encourage their thinking on such topics. Mr. Williams, the faculty advisor, generally outlines the subjects to be discussed and acts as a moderator during the meetings. So far this year the group has discussed the following topics: "What is God?", "What is Religion and What Should It Do for Us?", "Has Science Made God Unnecessary?" and "What Shall We Think of the Bible Today?"

During the course of the school year, the discussion group usually has five or six visiting vesper speakers join the meetings. The first speaker to attend a meeting this year was

Dr. Seelye Bixler, President of Colby College. Being one of the foremost authorities in the country on Alfred Schweitzer, he continued his vesper talk concerning Schweitzer and some of Schweitzer's basic religious beliefs.

Those in attendance are Ross Chace, Paul Clark, Arthur Cushman, Peter Fitts, Robert Cass, James Higgins, Erik Howell, Kevin Leary, John McLeod, Joseph Montgomery, John Morse, and Kenneth Weene.

IN THE NATIONAL MERIT
SCHOLARSHIP COMPETITION

Kenneth A. Weene has been notified that he has qualified for the semi-final round of the National Merit Scholarship Competition sponsored by a group of American industries.

Weene was one of over 300,000 high school students who took the qualifying test in October and will be one of the 7,500 to face another battery of tests in January. Some 800 of the group will ultimately qualify for four-year scholarships at colleges of their choice.

Last year Ned Stone, Robert Temple, and Pete Ober reached the final stage; and Ned Stone went on to win a Merit Scholarship at Yale.

RICHARD LITTLE DODGE SCHOLARSHIP
ESTABLISHED AT GOVERNOR DUMMER

Governor Dummer Academy has announced the establishment at the school of the "Richard Little Dodge Scholarship" to be awarded annually to a deserving student from the Town of Newbury.

The new scholarship has been established by Mr. Laurence P. Dodge of Newburyport in memory of his son Richard, a student at the Academy from 1938 to 1940.

Since Town of Newbury students are now exempted from the payment of tuition, the income from the fund set up by Mr. Dodge will be available to help the recipient of the annual scholarship pay for his books and meet other expenses incidental to his attendance at the Academy.

Mr. Dodge was a member of the Board of Trustees at Governor Dummer from 1917 to 1930 and served as Treasurer from 1923 to 1930.

NEW DEBATING CLUB MEETS
ON SUNDAY AFTERNOONS

Because of great enthusiasm among the members of the junior class, a debating club has been organized at Governor Dummer for the first time. At a meeting in the Mansion House with Mr. Eames and Mr. Marr, the following decisions were reached. This year the club membership will be limited to juniors only, but in future years membership will perhaps be open to both juniors and seniors. The group will hold meetings once a week on Sunday afternoons with Mr. Marr as faculty advisor. The actual Debating Club will be made up of the fourteen best qualified speakers chosen on a competitive basis, but all students are welcome to attend the meetings and to speak in the discussions which follow the formal debates.

The first meeting was held on Sunday, November 10. Topics of some of the heated debates so far have included "Should Euthanasia Be Legalized?" and "Should Gambling Be Legalized?"

Several members of the club with Mr. Marr are planning to attend the annual New England Debating Clinic held at Belmont Hill School, where they will participate in impromptu speeches and debates.

MR. MERCER IN COMMUNICATION WITH POOBAH

Above the Beep-Beep of the Orbiting Sputnik, the message finally came through, — the Potentate of Pushball again was delayed!

POOBAH'S PROBATIONERS

PACED BY EGGPLANTS

At the Sunday afternoon meeting on November 18, the student body was anxiously awaiting the arrival of Poobah, the king of Pluto. He was to make up the names for the teams in the annual volleyball competition and assign one to each of the masters. Because of travelling difficulties, however, Poobah could not get beyond Sputnik; but he sent a telegram to Mr. Mercer announcing that there were to be the Fruit and the Vegetable Leagues.

Mangos and Elderberries Decline

Mr. Nangle's Nectarines, Scott McLeod's Muskmelons, Mr. Marr's Mangos, and Mr. Evans' Elderberries were superior in the Fruit League at the beginning of the season, but the Mangos and Elderberries soon faded, leaving the Muskmelons and the Nectarines contending for the Fruit League championship. In the final four games, the Nectarines salvaged two, while McLeod and company won all theirs.

Eggplants and Stringbeans Advance

Mr. Ashley Eames' Eggplants and Fred Sayles' Stringbeans dominated the Vegetable League from the opening day. Going into the last day each team had lost only one game. The Eggplants had won in the first meeting of the two teams, and the Stringbeans had romped in the second; so the stands were filled in Lang Gymnasium for their crucial game. The Eggplants prevailed over the Stringbeans as Mr. Eames and Bill Kittredge outspiked Fred Sayles, Dan Hobbing, and John Schabacker.

Muskmelons and Eggplants Cross

The play-off games for the school championship were held in Alumni Gymnasium on Saturday, December 7. The stands were filled with enthusiastic students as McLeod's Muskmelons opposed Mr. Eames' Eggplants. The lead in the first game went back and forth throughout the game, the Eggplants finally winning 21-17. In the second game Mr. Eames and Bill Kittredge prevailed over Scott McLeod and Bill Whiting, 21-13.

EDITORIAL

The whole school was shocked at the recent, unexpected death of George Mooney, a school carpenter. Affectionately nicknamed Jigger, he had faithfully served the school for fifteen years, and everyone who knew him will miss Jigger's cheerful presence.

His death serves to remind us of the many others of the maintenance department. Students and faculty recognize and take pride in the efficiency and achievements of this department. Irregular hours and unpredictable tasks. — anything from installing emergency wiring to digging up plugged pipes are common occurrences.

Fortunately, the maintenance department is staffed with devoted men like Freddie Hanson, Gerald Rogers, Irving Hills, and Ronnie Perley. Aply led by Paul Griffin, these men and others have faithfully served the school and have enthusiastically contributed to its progress.

Most of us recognize and appreciate the long service and faithful work of these men. The best way to show our appreciation is to

cooperate with them by avoiding needless damage to buildings and grounds. Probably no one means to add to their woes, but we sometimes do through carelessness. Let's be alert to avoid damage.

RIFLE CLUB MEMBERS WIN MARKSMANSHIP AWARDS

The Governor Dummer Academy Junior Rifle Club provides boys an opportunity to improve and display their skills in riflery. This year a group of forty-three boys are members of the club, more than twice the number enrolled last year. A corresponding jump in enthusiasm accompanies this increase in membership. Mr. Fuller is the able club leader, and Pete Bostwick is the president. Although many of the members joined the club as tyros, they have already come a long way toward becoming competent and skillful riflemen under Mr. Fuller's instruction.

The Rifle Club also possesses a great deal more talent than in recent years. Many of the boys have earned National Rifle Association awards through their marksmanship, and two of the members are attempting to earn the Distinguished Awards given by the N.R.A. This award is the pinnacle of riflery.

One of the annual "extras" of the Rifle Club is a trip in the spring to Gloucester to participate in a regional rifle tournament sponsored by the N.R.A. All the members are looking forward to the trip and are hopeful for a good showing at the tournament.

MORE BRIEFLY

On Wednesday evening, October 30. Mr. Sutton of the faculty showed movies in the library of the Frost Building of his eighteen-month cruise around the world aboard Captain Irving Johnson's brigantine *Yankee*. Sponsoring the evening's entertainment were the Governor Dummer Allies. Proceeds are used for scholarship aid.

Mr. Philip Smith resigned from the Governor Dummer faculty in June 1957, expecting to be called up for military service in the late summer. When he learned in September

that he would not be called this year, his position at Governor Dummer had already been filled, but he was able to find a place at Deerfield Academy.

THREE WINS, THREE LOSSES
THREE TIES, GIVE SOCCER
TEAM BALANCED RECORD

After losing the opening game to Phillips Academy at Andover, the varsity soccer team settled down and played five straight games without a loss. On Saturday, October 5, the team played the Noble and Greenough School to a 0-0 tie in two overtimes. On Wednesday, October 9, at Cambridge against Browne and Nichols, the Governors were searching for their first win of the season. Early in the first quarter, David Hardenbergh connected with a fine shot from the left wing to send the team into the lead, and before the first period had ended, center forward Pete Buckingham scored the second goal of the afternoon. Pete scored again during the second period to account for a 3-0 win.

The fourth game of the season was played on Whipple Field against the Brooks School. The Governors found it hard to get started, and Brooks' Fred Merrill had scored a goal before the Red team started to pass well and show some fine teamwork. Left inside John Read scored the Governors' first goal seconds before the end of the first period. During the second period, Captain Jack Williams scored the Governors' second goal for a winning total of 2-1.

*Teamwork Earns Tie at Belmont,
Victory at St. Paul's*

On Wednesday afternoon, October 16, in an even contest with Belmont High School the Governors' halfback line was outstanding. The fine teamwork of Pete Fitts, Harvey Hayden, and Tom Grose aided the forward line considerably in carrying the ball into the scoring area, where Jack Williams scored during the third period, and Scott Cappel connected with an excellent corner kick from Nick Day to give the team a 2-2 tie. The St. Paul's game followed, and the Governors, sparked by goalie Bill Whiting's expert handling of the defense, remained unscored upon while Captain-elect Scott Cappel punched in the Governors' only goal in the third quarter for a win of 1-0.

Tabor Academy, the league champion, played host to the Governors at Marion on Saturday, October 26, and put the pressure on right from the starting whistle. Tabor's goal of the first period was equalled when Nick Day tied the score at the beginning of

the second. However, Tabor scored two more goals during the second period plus an additional two during the third and fourth periods to make the final score 5-1. Tom Grose played an excellent game, and successfully bottled up one of the chief threats on the Tabor club.

The Milton game was played after both schools had been hit by the recent Asian flu epidemic. Goalie Fred Huntress, in the absence of regular Bill Whiting, played a fine game with Don Gray and Fred Sayles as fullbacks. Milton won by scoring a single goal in the third period.

The last game of the 1957 season was played against Belmont Hill School at Belmont. Having previously lost an exhibition game played with Belmont Hill by a score of 1-0, the team wanted to avenge its loss. The season's last game was perhaps the season's best. Each team had numerous scoring opportunities upon which they were unable to capitalize. Neil Quinn and Arny Wood, the Governors' fullbacks, broke up many scoring drives; and left halfback Ralph Ardill set up many offensive plays for the Red team. Neither team, however, was able to score, and after two overtime periods, the game remained a 0-0 tie.

In overall competition, the Governors were scored upon twelve times, while the team scored ten goals against their competitors. In league competition, the Governors scored six goals and their opponents scored seven.

VICTORY AT MOSES BROWN
CROWNS FOOTBALL SEASON

In his first year as Head Coach, Mr. Sperry was faced with one major and insurmountable problem, Asian flu. No one knows or ever will know how good this year's team might have been without that disaster.

On October 5 St. Sebastian's came to South Byfield to face a determined Governor Dummer team. On the opening kick-off Nuffy Withington, behind some solid blocking, returned the ball 70 yards for the score. The inspired Governors played an exceptional game on defense, allowing only thirty-three yards to be gained against them. On offense, the team gained yard after yard with the engineering of quarterback Randy Light. In the third quarter Eddy Johnsen broke loose and went 50 yards for a second tally. Captain Russ Tornrose sparked both offensive and defen-

sive units with his standout play. When the final whistle blew, the Governors found themselves the proud possessors of a 13-0 score.

Unfortunately, the game at Moses Brown on October 12 was cancelled because of an outbreak of Asian flu there. This disappointment hurt the coaches, Mr. Sperry, Mr. Anderson, and Mr. Evans, almost as much as it did the anxious football players.

Parents' Day, October 19, found Milton Academy also ravaged by the flu and unable to send a team to Governor Dummer. Luckily, a last minute game was arranged with Belmont Hill, but it had to be at Belmont, where a muddy contest was played in extremely rainy weather. The Governors never gave up, but the final score was Belmont Hill 19, G.D.A. 6. Captain Tornrose, Nuffy Withington, and Jim Sylvester all played outstanding games despite the lack of footing. Nuffy Withington scored the Governors' touchdown on a 55-yard run.

From this defeat the team bounced back quickly in order to be ready for Groton on the following Saturday. Coaches and team were again greatly disappointed when the

troublesome flu caused a third cancellation. On the next Saturday the tables were turned when the Governors found themselves with over half the squad, including seven starters, off their feet with the dread flu. Mr. Eames and Mr. Murphy decided that it would be best to cancel the game at St. Mark's in the interests of all concerned.

Kimball, Churchill, and Dumont

Score at Belmont Hill

On November 9 the Governors again travelled to Belmont Hill for the regularly scheduled game. The spirit was high and both teams were fired, but again Belmont Hill proved stronger, piling up a total of 53 points to the Governors' 27. One Governor Dummer touchdown was scored on a run by Kim Kimball and one by Lonnie Churchill. A pass from Randy Light to Kent Dumont netted the Governors' other tally.

A make-up scheduled for November 16 with Moses Brown at Providence would be the last for many seniors too light to play college football, and every member of the squad wanted

VICTORY AT MOSES BROWN

(Continued from page 11)

badly to win. — for the seniors and for the coaches. On defense. Joe Montgomery. Tad Akin. and Nuffy Withington did a fine job of backing up the line. Steve Houghton. Bill Hunt. Mike MacLean. and Russ Tornrose held ground gains to a minimum. The ends. Chick Carroll and Dick Pratt. played well. The deep backs. Mike Dunsford. Lonnie Churchill. and safetyman Scott McLeod missed almost nothing that came their way.

On offense. behind a solid forward wall. Randy Light directed the team to a 32-19 win. High scorer of the game was Eddy Johnsen with a total of three touchdowns. Close behind was Nuffy Withington with two to his credit. Solid blocking by Kevin Leary and Wayne Hockmeyer contributed to all five scores. When the game ended the jubilant Governors carried Coaches Sperry. Anderson. and Evans off the field in triumph and returned to carry the reluctant Tornrose on their shoulders.

FIVE WINS. FOUR LOSSES

ON J.V. SOCCER RECORD

The J.V. soccer team. even though it got off to a rather slow start. completed the season by winning five and losing four games.

On October 2. the J.V.'s met a strong Andover team on Whipple Field. They lost 3-0. but the game provided them with some much needed experience. In a closer game with Roxbury Latin on October 5. the Governors lost 1-0. They played a much better defensive game. and the Roxbury Latin team did not score until the fourth quarter.

Cambridge was the scene of the J.V.'s next game against a strong Browne and Nichols team on October 9. After losing two games. the Red team's spirit was still high. and they won by one goal scored by Jim Deveney. Against Brooks School at home. three days later. the J.V.'s won 2-0 with goals by Deveney and Jeff Wilson.

On Parents' Day. October 19. the J.V.'s met Belmont Hill on Whipple Field in the pouring rain and beat them 3-1. As on all Parents' Days. spirit and keen play were at an all-time high. and the Governors were in possession of the ball most of the time. The three goals were scored by Chris Prewitt. Charlie Langmaid. and Carl Youngman.

The J.V.'s three-game winning streak was broken by a superior St. Mark's team on October 23 at home. The Governors lost 3-0. though the team fought the hardest of any game to date.

The Governors broke back into the winning column on October 26 when they played the Tabor Academy J.V.'s at Marion and won 1-0. The only goal was scored by Chris Prewitt in the third quarter.

At Concord on October 30. the J.V.'s played the Middlesex varsity and lost 2-1. Middlesex was a stronger team. but the Governors showed more fight and determination than they had in any previous game. After a fast-moving first quarter in which each team scored once. the game could have gone either way. However. one more goal by Middlesex put the hosts in the lead to stay.

The final game was played at Belmont Hill on November 8. Since the J.V.'s had beaten the Hillies once on Parents' Day. they were really up for the game and fought hard to win. The Governors. though. proved themselves a superior team and won 2-0. Jim Deveney scored both goals.

PONY SOCCER TEAM CLICKS

AGAINST BELMONT HILL CLUB

The Governor Dummer pony soccer team of 1957. coached by Mr. Dann. lost their first three games. but won their final game against Belmont Hill.

The Ponies were a strong but inexperienced team when they met Brooks in the first contest on October 9 at the home field. Experience won over inexperience in this game. and a strong Brooks team emerged victorious. 4-0. Outside Franklin Lawrence. goalie David Allen. and center George Hartman. who was earlier elected captain. played outstandingly well.

On October 16 Belmont High invaded Governor Dummer. Both teams fought hard in the first half. but at the end of the half there was still no score. In the second half Belmont High scored. and the Governors lost a heart-breaker. 1-0. The whole Pony team played well. correcting many of the faults which occurred in the Brooks game.

On October 23. the Governors took the road to Brooks for a return game. They didn't play well in the first half and were trailing. 2-0. After a brief pep talk between halves by

Mr. Dann, the team went out fighting; and the first Pony soccer goal of the season was scored by Dick Henry on a perfect center from Franklin Lawrence. But soon Brooks tallied again, and the Governors were unable to come up with another. The final score was Brooks 3 and the Governors 1.

On home grounds again on November 8 against a small, inexperienced team from Belmont Hill the Governors did not play particularly well in the first half but were leading 1-0 at the half. Again Mr. Dann's pep talk put the team back on the field all fired up. The Governors scored two more goals and Belmont scored one. The goals by Governor Dummer were scored, two by Fred Bissell and one by Captain George Hartman. Franklin Lawrence again played an excellent game.

PONY - LIGHTNING SQUAD HAS COMBINED TWO-SIX RECORD

This year the Lightning football squad, coached by Mr. Williams and Mr. Sutton, compiled a record of one win and five losses, while the Ponies, whose schedule was hampered by the flu epidemic, lost to the Exeter Freshmen on October 20 and beat Emerson School 20-12. Outstanding players for the Ponies were John Slater, John Carroll, Ted Dietz, Denis Golden, and Dana Steele.

On October 16, having already lost two games to Amesbury and Brooks, the Lightnings travelled to Ipswich and were beaten by the bigger and more experienced Ipswich J.V. team 26-6, but players like Denis Golden, Jeff Mitchell, Dave Stringer, and Captain Willard Nalchajian gave fine performances throughout the game for the Governors.

On October 23 the Lightnings played host to the Brooks J.V.'s. Eager to avenge their defeat of several weeks before, the Governors got off to a fast start with Dan Hobbing crossing the goal line to give them a 6-0 lead at the half. But Brooks came back strong in the second half and won the game 14-6.

The Lightnings played their next game at Haverhill on November 6 and were decisively outclassed by the bigger, more powerful team, 40-0.

On November the 15th, the Lightnings played the Newburyport Freshmen in their finest game. One hundred percent effort by everyone on the squad was rewarded with a 34-7 victory. Scores were made by Larry Hanelin, Bill Lelash, and Dan Hobbing.

J.V. FOOTBALL TEAM SCORES

LONE WIN AT BELMONT HILL

This season, the J.V. football team played five games, winning one and losing four. The team played a difficult schedule; but thanks to Mr. Marr's excellent job as coach and the team's high spirit, the season was not wholly unsuccessful.

The first game was with a very strong Amesbury team. John Hyslop threw a touch-down pass to Newt Lamson, and Ken Wolf threw another to Tony Greene. Good running by the Amesbury fullback and tailback, plus a number of pass interceptions, netted Amesbury five touchdowns and a 33-14 decision.

NICK DAY SCORES AGAINST TABOR

At Andover Max Brace carried over for the Governors' lone touchdown while Andover scored three and handed the Governors a 20-7 defeat. At Newburyport Topper Terhune ran back the opening kick-off for a touchdown. Newburyport scored three before the Governors rallied for their second and final score.

*Scores by Max Brace and John Hyslop
Bring First Victory*

The next game was at Belmont Hill, and the J.V. team was well prepared. Belmont Hill scored two touchdowns early in the first half, but the Governors counter-attacked and sent Max Brace over the goal line just before half time. In the second half the Governors marched for two more, scored by Max Brace and John Hyslop. Near the end of the game, Belmont Hill scored one more touchdown on a series of passes: but failed to get the extra point, and the Governors stood victorious with a score of 19-18. The last game, Danvers, was a high-scoring game with Tony Greene receiving passes for two touchdowns and Jim Houghton running for one. The last touch-

down on a beautifully executed 50-yard run by Max Brace, left the Governors trailing.

Ken Wolf, at quarterback, passed well throughout the season and was an excellent ball handler. Max Brace at halfback was the leading scorer and ground gainer, totalling 320 yards. Tony Greene did a fine job at end, catching 16 passes.

On defense, Rickey Monkhouse and David Latham did good jobs as tackles: and Dick Hendrix and Charlie Marston performed well as linebackers. Louie Platt and Jim Houghton made many tackles as ends, as did Newt Lamson, Bill Allen, and Walt Cannon as flankerbacks.

Captains Ferguson Jansen and Bill Allen did fine jobs in leading the team and keeping the team spirit high even at times when the situation seemed most hopeless.
